

Kossuth County Fair

Kid's Open Class Livestock

Listed below are the fair check-in times for your animal and the approximate show time (check-in times subject to change per department superintendents). Kid's Open Class will follow the 4-H Shows.

We also ask that you make a poster to hang above your project. **Please create an 8x10 or larger poster** that includes your name, parent's name, town, your animal's name and any other information that you would like fair goers to know. **Be creative!**

With the hot weather, we also need to make sure that the animals always have water and the area around your project is always kept clean. Bring your own food/ water supplies.

If you have any questions during the fair, please stop by the Fair Office located by the main North Gate of the fairgrounds.

Be sure to stop by the Algona Publishing Booth in Floral Hall to get your picture taken for the newspaper. Bring your ribbon for the picture!
